Here's our updated recommendations for Route L.

Simplified Shortened

### Route L (537): Chestnut Hill Loop to Olney TC

Route L would be shortened to operate between Chestnut Hill Loop and Olney Transportation Center. It would be a frequent route operating at least every 15 minutes on weekdays and weekends. Route 97 will replace existing Route L service between Chestnut Hill Loop and Plymouth Meeting Mall. Splitting the route allows each section to have the right amount of service, retain important connections and improve service to Plymouth Meeting Malls. Route L service would also be simplified so that all trips operate in the same way between Chestnut Hill Loop and Olney Transportation Center via Stenton Avenue, 66<sup>th</sup> Avenue, and Old York Road (using Route L's existing express routing).
