

# SEPTA BUS REVOLUTION

## UPDATED DRAFT BUS NETWORK

### Spring 2023

# SEPTA BUS ACCESS TO PHILADELPHIA SCHOOLS

SEPTA's Bus Revolution project is updating SEPTA's bus network with the goal of creating a bus system that is easier to use, more convenient and more reliable.

We understand the importance of SEPTA bus service to the School District of Philadelphia and know that thousands of students depend on SEPTA to get to and from school every day.

We'd like to invite the School District of Philadelphia to a discussion about proposed changes to SEPTA's bus network. We are scheduling **two opportunities for a discussion with school district staff** interested in learning more about this project:
